MASTER CONTACT LIST - OTTAWA-CARLETON
February 1992

Introduction:

The Master Contact List contains almost 800 local community organizations in the Ottawa-Carleton Region. These groups are membership-based (either based on individual members, group members, or both), and utilize some of their resources influencing local policy-making (see also *Condominium Corporations in Ottawa-Carleton*, available from us separately). Only a small minority of these groups have offices or even phone numbers and therefore cannot be found in the phone book. However, each has a constitution or some other formal mandate to represent their membership. Some inactive neighbourhood-based groups are included if no other group purports to represent the neighbourhood and the most recent leader agrees to reactivate if necessary.

Certain types of groups are not well represented in this list, but are available from other sources. These are: service clubs, ethnic groups (see City of Ottawa's *Master Contact List*), social and health agencies (phone Community Information Centre, 238-2101), recreation and sports groups (different municipal recreation departments - see blue pages in phone book), and unusual groups (see new list at the Ottawa Public Library).

How to Use This List:

The main list is in alphabetical order. Ahead of the list are two indices to assist you in finding groups by the kind of group (TYPE) and geographical area (GCODE). The UPDATE field refers to the latest date (YYMMDD format) that we confirmed the information. When the DD section is missing, it means that we used a secondary source to confirm the information. NOTE: Except for urgent business, please refrain from using the office/work phone numbers, unless the organization has its own office. Otherwise you will likely be bothering a volunteer at his or her place of employment.

LISTE MAÎTRESSE DE CONTACTS - OTTAWA-CARLETON
Février 1992

Introduction

La Liste maîtresse de contacts contient les noms de près de 800 organisations communautaires de la région d'Ottawa-Carleton. Ces organsiations reposent sur leurs membres (personnes ou groupes, ou les deux) et utilisent certaines de leurs ressources pour influer sur l'établissement des politiques locales (les sociétés de condominiums ne sont pas comprises dans la liste, mais elles le sont dans une autre de nos listes). Seule une petite minorité des organisations ont des bureaux (voire un numéro de téléphone), de sorte qu'elles sont impossibles à trouver dans le bottin téléphonique. Néanmoins, elles ont toutes des statuts ou un mandat officiels, qui les habilitent à représenter leurs membres. Les organisations inactives ne sont pas mentionnées dans la liste, sauf dans le cas des groupes de quartier, si leur président le plus récent habite encore le secteur et s'il est disposé à réactiver son groupe pour intervenir dans un dossier important.

Comment se servir de la liste

La liste est en ordre alphabétique. Elle est précédée de deux index, qui ont pour objet de vous aider à trouver les groupes en fonction de leur nature (TYPE) et de leur situation géographique (GÉO-CODE). En outre, nous avons ajouté un champ de MISE À JOUR fondé sur la dernière date (AAMMJJ) pour laquelle l'information a été confirmée. Si les données JJ sont manquantes, c'est que nous avons utilisé une source secondaire pour confirmer l'information. **NOTA :** Évitez d'utiliser des numéros de téléphone au travail, à moins que l'organisation ait son propre bureau. Autrement, vous risquez de déranger un ou une bénévole à son lieu de travail.
